

DEVENDER TEJA BYRUGONDA

VIDEO EDITOR

Hyderabad, INDIA | tejadevender@gmail.com | 7674010790

SUMMARY

Experienced profession with a strong background in healthcare and insurance, including life and health insurance sector. Proven expertise in case management, underwriting, and claims processing at reputable organization such as Carelon global solutions. Actively seeking opportunities in video editing to turn my passion into a professional career. I have a strong foundation in video editing, specializing in Adobe Premiere Pro. I have worked in a few short films and am skilled in trimming, creating intros and outros, adding transitions, effects, and color grading.

PROFESSIONAL EXPERIENCE

Simplify3x Software, Claim Associate Nov 2022 - Dec 2023

Carelon Global Solutions, Claim Associate Dec 2023 - Jan 2025

- Processed different types of adjustment claims daily and expertly handled many files with impeccable quality.
- Determined liability, comprehensibility and benefits due on each claim.
- Collaborated with fellow team members to manage a large volume of claims.

Video Editing Experience (Freelance)

- Completed a 6-month internship at Cannibals Media Pvt. Ltd. (Jan-Jun), creating logo intros, motion graphics, and brand animations aligned with client requirements.
- Edited Instagram Reels for influencer "The4thKen" (Jul-Oct), focusing on high-engagement short-form content, trending formats, and platform optimization.
- Currently editing long-form YouTube videos for the channel "Doctor Dehleh", including storytelling structure, pacing, sound design, and visual enhancements.
